

Subject: 2017 SRCD Submission Confirmation

From: do_not_reply@allacademic.com - To: rogilmore@psu.edu - Date: August 8, 2016 at 8:57 AM

Dear Rick Gilmore,

Your abstract (ID: 1191480) has been submitted for review to the 2017 Society for Research in Child Development Biennial Meeting program to be held on April 6-8, 2017 in Austin, Texas.

Title: School-age Children Perceive Fast Radial Optic Flow in Noise More Accurately Than Slow Linear Flow

Submission Type: Individual Poster

Presenting Author: Rick Gilmore; rogilmore@psu.edu

Non-Presenting Author: Andrea Seisler; ars17@psu.edu

Non-Presenting Author: Michelle Shade; mas746@psu.edu

Non-Presenting Author: Michael O'Neill; mjo5227@psu.edu

You may return to this site at any time before the submission deadline of Tuesday, August 9, 2016, 8:00pm EDT to edit your proposal, or to check the status of any uploaded images.

If you uploaded a file, it has been assigned ! the file name: srcd17_proceeding_1191480.pdf.

A panel will review your proposal and a decision notification will be sent to you via email by the beginning of December 2016. The decision notification message will include links to travel award applications. Please keep a copy of this confirmation for your records.

This is an automatically generated message. Please do not respond.

Thank you for your submission.

Sincerely,
SRCD Program Office
